

Blessed Waters

Abies nigra	Argentum metallicum	Botulinum
Abroma augusta radix	Argentum nitricum	Bovista lycoperdon
Abrotanum artemisia	Arnica montana	Bromium
Abisnthium artemisia	Arsenicum album	Brucinum
Acetanilidum	Arsenicum iodatum	Bryonia alba
Aceticum acidum	Arsenicum metallicum	Bufo rana
Aconitum napellus	Artemisia annua	Buthus australis
Actea spicata	Arum triphyllum	Cactus grandiflorus
Adamas	Asafoetida	Cadmium metallicum
Aesculus hippocastanum	Asarum europaeum	Cadmium sulphuratum
Aether	Asbestos	Caffeine
Agaricus blazei murill	Asclepias tuberosa	Cajuputum oleum
Agaricus phalloides	Ashwagandha	Caladium seguinum
Agathis australis	Withenia somnifera	Calcarea arsenicosa
Agave tequilana	Asparagus officinalis	Calcarea carbonica
Agnus castus	Aspartame	Calcarea flourata
Ailanthus glandulosa	Asterias rubens	Calcarea iodata
Allium cepa	Aurum iodatum	Calcarea phosphorica
Aloe socotrina	Aurum metallicum	Calcarea silicata
Alumen crudum	Aurum muriaticum	Calcarea sulphurica
Aluminum oxydata	Avena sativa	Calculus renalis
Ambra grisea	Azadirachta indica	Calendula officinalis
Ambrosia artemisiaefolia	Bacillinum	Camphora
Amethyst	Bacillium testium	Candida albicans
Ammonium carbonicum	Bambusa arundinacea	Cantharis vesicatoria
Amygdalus persica	Baptisia tinctoria	Capsicum annuum
Anacardium orientale	Barosma crenulatum	Carbo animalis
Androctonus amurreuxi	Baryta carbonica	Carbo vegetabilis
Andrographis peniculata	Belladonna	Carbolicum acidum
Angelica sinensis	Bellis perennis	Carbon tetrachloride
Anthracinum	Benzoicum acidum	Carduus marianus
Antimonium crudum	Berberis aquifolium	Castoreum canadense
Antimonium tartaricum	Berberis vulgaris	Caulophyllum thalictroides
Antipyrinum	Beryllium metallicum	Causticum
Apis mellifica	Bitis arietans	Ceanothus americanus
Apocynum cannabinum	Blatta orientalis	Cedron
Aqua marina	Borax veneta	Cenchrus contortrix
Aralia quinquefolia	Boric acidum	Cephalandra indica
Aranea diadema	Boron metallicum	Cereus bonplandii
Aranea ixobola	Bothrops lanceolatus	Cesium muriaticum

Chamomila vulgaris	Cucurbita pepo	Ferrum iodatum
Chelidonium majus	Culex musca/pipiens	Ferrum metallicum
Chimaphila umbellata	Cundurango	Ferrum phosphoricum
China officinalis	Cuprum arsenicosum	Ferrum picricum
Chininum arsenicosum	Cuprum metallicum	Ferrum sulphuricum
Chininum salicylicum	Cuprum sulphuricum	Filix mas
Chininum sulphuricum	Curare woorari	Fluoricum acidum
Chionanthus virginica	Cymbopagon nardus	Foeniculum sativum
Chloralum hydratum	Cypridedium pubescens	Folliculinum
Chlorine Gas	Damiana aphrodisiaca	Formica rufa
Chlorum aqua	Daphne indica	Fragaria vesca
Chocolate	Deoxyriboneucleic acidum	Fraxinus americana
Chromium metallicum	Digitalis purpurea	Fucus vesiculosus
Cicuta virosa	Dioscorea villosa	Galega officinalis
Cimicifuga racemosa	Diphtherinum	Galium aparine
Cina maritima	Dirofilaria immitis	Gaultheria procumbens
Cinnamonum ceylanicum	Dolichos pruriens	Gelsemium sempervirens
Cistus canedensis	DPT Nosodes	Germanium metallicum
Clematis erecta	Drosera rotundifolia	Gingko biloba
Cobaltum metallicum	Dulcamara	Ginseng
Cobaltum nitricum	Echinacea	Glonoinum
Cocculus indicus	augustifolia/purpurea	Glycyrrhiza glabra
Coccus cacti	Elaps corallinus	Gossypium herbaceum
Cochlearia armoracia	Electricitas	Granatum pomegranate
Coffea cruda	Emerald	Graphites naturalis
Colchicum autumnale	Epigea repens	Grindelia robusta
Colibacillinum	Epiphyterinum	Guaco
Collinsonia canadensis	Epstein Barr Virus	Gunpowder
Colocynthis	Equisetum arvense	Hamamelis virginiana
Colostrum humanum	Equisteum hyemale	Hecla lava
Comocladia dentata	Erigeron canadensis	Hedeoma pulegioides
Conchiolinum	Eriodictyon glutinosum	Helianthus annus
Conium maculatum	Eschscholtzia californica	Helium
Copaiva	Estrogen	Helleborus niger
Corallium rubrum	Eucalyptus globulus	Helonias dioica
Cordus extractus	Eupatorium perfoliatum	Hepar sulphuris calcareum
Cordyceps	Eupatorium purpureum	Hepatitis A
Coriandrum sativum	Euphorbia pilifera	Hepatitis B
Crataegus oxyacantha	Euphorbium officinarum	Hepatitis Non A/Non B
Crocus sativus	Euphrasia officinalis	Herpes zoster
Crotalus horridus	Eupionum	Hippozaeninum
Croton tiglium	Fagopyrum esculentum	Histaminum muriaticum
Cucurbita citrullus	FelV	Hoitzia coccinea

Homarus gammarus	Lac vacinum butyricum	Medigo sativa
Hydrastis canadensis	Lachesis muta	Medorrhinum
Hydrazinum sulphuricum	Lacticum acidum	Medusa
Hydrocotyle asiatica	Lapis albus	Mel cum sale
Hydrocyanicum acidum	Lappa arctium	Melaleuca alternifolia
Hydrogen	Lathyrus sativus	Melanoma
Hydrophis cyanocinctus	Latrodectus mactans	Melatonin
Hyoscyamus niger	Laurocerasus officinalis	Melilotus officinalis
Hypericum perforatum	Lavender	Mentholum
Hypothalamus gland	Lecithinum	Menyanthes trifoliata
Ignatia amara	Ledum pulustre	Mephitis putorius
Indigo tinctoria	Leonurus cardiaca	Mercuris corrosivus
Indium metallicum	Leptandra virginica	Mercurius cyanatus
Iodum purum	Lilium tigrinum	Mercurius iodatus flavus
Ipecacuanha	Limentis bredowii	Mercurius solublis
Ipomoea purpurea	Lithium carbonicum	Mercurius sulphuricus
Iridium metallicum	Lobelia inflata	Mezereum
Iris versicolor	Lonicera xylosteum	Millefolium achillea
Jaborandi	Loxosceles reclusa	Mimosa pudica
Juglans nigra	Luffa operculata	Monosodium glutamate
Juglans regia	Luna	Morbillinum
Juniperus communis	Lupulus humulus	Morgan bacillus co
Kali arsenicosum	Lycopersicom esculentum	Muriaticum acidum
Kali bichromicum	Lycopodium clavatum	Myosotis symphytifolia
Kali bromatum	Macrotinum	Myrica cerifera
Kali carbonicum	Magnesia carbonica	Myristica sebifera
Kali chloricum	Magnesia fluoride	Myrrh
Kali cyanatum	Magnesia muriaticum	Myrtus communis
Kali iodatum	Magnesia phosphoricum	Naja tripudians
Kali muriaticum	Magnesia sulphurica	Naphthalinum
Kali nitricum	Magnetis poli ambo	Narcissus poeticus
Kali permanganicum	Magnetis polus arcticus	Natrum arsenicum
Kali phosphoricum	Magnetis polus australis	Natrum carbonicum
Kali silicicum	Magnolia grandiflora	Natrum fluoratum
Kali sulphuricum	Malandrinum	Natrum lacticum
Kali tartaricum	Malaria Co nosode	Natrum muriaticum
Kalmia latifolia	Malva neglecta	Natrum phosphoricum
Karwinskia humboldtia	Mancinella venenata	Natrum salicylicum
Kola Nut	Mandragora officinarum	Natrum sulphuricum
Kreosotum	Manganum aceticum	Neon
Lac caninum	Mangifera indica	Nepeta cataria
Lac defloratum	Mantis religiosa	Niccolum carbonicum
Lac maternum humanum	Marrubium album	Niccolum sulphuricum

Nicotiana rustica	Pilocarpinum	Sacharinum
Nicotinum	Pinus sylvestris	Salicylicum acidum
Niobium metallicum	Piscidia erythrina	Salmonella typhi
Nitri spiritus dulcis	Pix liquida	Sambucus nigra
Nitricum acidum	Placenta humana	Sanguinaria canadensis
Nux moschata	Plantago major	Sarcolacticum acidum
Nux vomica	Platinum metallicum	Sarsaparilla officinalis
Ocimum canum	Plumbum iodatum	Scarlatininum
Ocimum sanctum	Plumbum metallicum	Schinus molle
Oenanthe crocata	Plutonium nitricum	Scirrhinum
Oleander	Pneumococcinum	Scrophularia nodosa
Oleum jecoris aselli	Podophyllum peltatum	Scutellaria laterifolia
Oniscus asellus	Populus candicans	Secale cornutum
Onosmodium virginianum	Prunus spinosa	Selenium
Oopherinum	Psorinum	Sempervivum tectorum
Organophosphate	Pulex irritans	Senecio aureus
Ornithogalum umbellatum	Pulsatilla nigricans	Senna
Oscillococcinum	Pulsatilla nuttaliana	Sepia succus
Osmium metallicum	Pyrogenium	Serotonin hydrochloride
Oxalicum acidum	Quassia amara	Silica terra
Palladium metallicum	Quercus alba	Sinapis alba
Panax quinfolium	Radium bromatum	Sol britannic
Pancreatinum	Radon	Solanum nigrum
Papillomavirus - Type II	Ranunculus bulbosus	Spigelia anthelmintica
Paraffinum	Ranunculus sceleratus	Spongia tosta
Paraquat	Reserpinum	Squilla maritima
Parathyroidinum	Rhamnus californica	Stannum metallicum
Paris quadrifolia	Rhamnus cathartica	Staphylococcinum
Parotidinum	Rheum palmatum	Staphysagria
Passiflora incarnata	Rhodium metallicum	Stillingia sylvatica
Pasteurella multocida	Rhus radicans	Stramonium
Pecten jacobaeus	Rhus toxicodendron	Streptococcinum
Penthorum sedoides	Ricinus communis	Strontium carbonicum
Pertussinum	RSV Nosode	Strontium nitricum
Petroleum oleum	Rubella Nosode	Strychninum
Petroselinum sativum	Rubus idaeus	Succinum acidum
Phellandrium aquaticum	Ruby	Sulphur
Phosphoricum acidum	Rumex crispus	Sulphuricum acidum
Phosphorus	Ruta graveolens	Symphoricarpus racemosus
Physostigma venenosum	Sabadilla officinalis	Symphytum officinale
Phytolacca decandra	Sabal serrulata	Syphilinum
Picricum acidum	Sabina officinalis	Syzygium jambolanum

Tabacum nicotiana	Veratrum album
Tabebuia impetiginosa	Veratrum viride
Tamarindus indica	Verbascum thapsus
Tanacetum vulgare	Verbena officinalis
Tannicum acidum	Vespa crabro
Taraxacum officinale	Viburnum opulus
Tarentula cubensis	Vinca minor
Tarentula hispanica	Viola odorata
Tartaricum acidum	Viola tricolor
Taxus baccata	Vipera berus
Taxus brevifolia	Viscum album
Tela araneae	Wyethia helanoides
Tellurium metallicum	Xanthoxylum fraxineum
Terebinthinae oleum	X-ray
Tetanus nosode	Xenon
Thallium metallicum	Xerophyllum tenax
Theridion curassavicum	Yohimbinum coryanthe
Thiosinaminum	Yttrium metallicum
Thlaspi bursa pastoris	Yucca filamentosa
Thuja occidentalis	Zincum metallicum
Thymuline	Zincum muriaticum
Thymus serpyllum	Zincum phosphoricum
Thyroidinum	Zincum picricum
Titanium metallicum	Zincum sulphuricum
Topaz, blue	Zincum valerianicum
Trifolium pratense	Zingiber officinale
Trigonella foenum graecum	
Trillium pendulum	
Tuberculinum aviare	
Tuberculinum bovinum	
Tussilago farfara	
Uncaria tomentosa	
Uranium nitricum	
Urtica urens	
Usnea barbata	
Ustilago maydis	
Vaccininum	
Vaccinium myrtillus	
Valeriana officinalis	
Vanadium metallicum	
Varicella zoster	
Variolinum
